PRESIDENT'S MESSAGE

Aloha to all of the West Maui ohana-anyone who lives, works, visits or owns property in West Maui. WMTA feels really privileged to represent such a wonderful community with its unique diversity and cultural richness.

For over 35 years WMTA has worked with and for the West Maui community to pursue infrastructure investment in roads, parks, health care facilities, fire and ambulance and countless other improvements. Historically, WMTA has focused on investing tax revenues generated in West Maui to address three key areas:

- HEALTH CARE
- TRAFFIC PROBLEMS
- AFFORDABLE HOUSING

The next few years will present new challenges with fiscal issues taking center stage. The WMTA role will be even more important as we focus on:

- PRESERVING THE COUNTY SHARE OF TRANSIENT ACCOMODATION TAX
- PROTECTING TAXPAYERS AND BUSINESSES FROM REGRESSIVE TAXATION
- FIGHTING UNFAIR REDUCTIONS IN INFRASTRUCTURE INVESTMENT
- PROMOTING OUR HOSPITALITY INDUSTRY

How can YOU help WMTA protect West Maui? You can:

- SUPPORT WMTA WITH A MEMBERSHIP OR DONATION
- ASK YOUR FRIENDS, NEIGHBORS AND ASSOCIATIONS TO JOIN WMTA
- HELP WMTA REGISTER VOTERS AND 'GET OUT THE VOTE'

WMTA wants to thank all the members who took the time to attend the 2010 Annual Meeting. We hope you enjoyed the opportunity to hear from the County and State legislators who are responsible for spending YOUR tax dollars. We appreciate the opportunity to provide updates on the high priority issues identified by our WMTA members. Please see page (3) for more on the annual meeting.

Standing together, and with your generous support, we can continue to work for a better West Maui.

Thank you,
Donald Lehman

WMTA TREASURER'S REPORT- Joseph Pluta

The WMTA has some ambitious goals ahead of us. We are one of the few non-profit organizations who rely solely upon membership dues and donations to fund our operations. I can tell you that every one of you who have an investment on Maui or reside here, must consider protecting your investment with a prudent donation to support our programs on your behalf. We are fighting for you and we are nearly out of ammunition. Please send a donation to the WMTA today in any amount you can. You'll be glad you did!

Don't delay, do it NOW. Mahalo!

WEST MAUI HOSPITAL UPDATE

Please see our web site at www.westmaui.org for Brian Hoyles' comments reaffirming on his commitment to the West Maui Hospital and Medical Center. We have received Preliminary subdivision approvals and working on ways to overcome the remaining hurdles prior to getting building permits. Costs for infrastructure and site development are being examined with the Kaanapali 2020 Community Planning group as well as exploring the potential of integrating them in a Community Facilities District. Our objective is to get the hospital built first and is our highest priority. The goal is to have construction to begin by June of next year and opening within 18 months thereafter.

Additional information and updates can be viewed by visiting www.westmauihospital.org.

That's right!
At the Annual Meeting "Zeke" made the announcement.
Stay tuned!

VALUES AND REVENUES BY DISTRICT

ESTIMATED ASSESSED VALUES BY DISTRICT (MILLIONS) 2009, Maui County

ESTIMATED RPT REVENUES BY DISTRICT (MILLIONS) 2009, Maui County

These charts illustrate the huge financial contribution from West Maui to the County of Maui to fund government services. We are doing our best to educate our government leaders on the importance of re-investing into the infrastructure here on the West Side to preserve that income stream. County roadways, police and fire coordination with increased emergency and disaster planning for health and safety. Also, sorely needed infrastructure improvements to our County sewage system and deteriorating transmission lines and odorous processing stations.

Please help us in this ongoing process to enlighten our County and State decision makers – make a financial contribution to WMTA today!

MEMBERSHIP REPORT (Paul Brown, Chair)

Aloha! In an effort to help influence improvements to our West Maui community, I volunteered to join the board of West Maui Taxpayers Association in August of 2009. It has been a great pleasure to work with the board and learn more about the association over the last seven months.

At one of our recent board meetings, as we reviewed the financial reports for the association it became clear that in order for the association to remain healthy, a concerted effort had to be made to encourage lapsed members to renew their memberships and to seek strategies for increasing the membership with new members. WMTA is fully funded through membership dues and donations, with no other source for the funds that are used to act as a day-to-day monitor and lobbyist for all issues affecting West Maui, including infrastructure, public safety, education, parks and public space maintenance and beautification, and water quality.

Seeing this pressing financial need I volunteered to form and lead a membership committee that would develop strategies to build the association's membership base and help insure its financial stability. I now reach out to you, asking that you help in any way that you can, whether it is through membership renewal, encouraging your friends, neighbors, or business associates to join, or to volunteer to work on the membership committee.

If you are interested in working on the membership committee please contact me by email at pbrownmaui@hotmail.com or by phone at 808-276-3129. Mahalo!
