THE VOICE

Newsletter of the West Maui Taxpayers Association – December 2020

PRESIDENT'S MESSAGE – Joseph D. Pluta

Aloha Dear friends of West Maui.

We always like to find something good to share in the midst of all the challenges and controversies occurring in these turbulent times of uncertainty. No one knows what the “new normal” will look like, as everything is changing so fast.

Hawaii's governor Ige has recently amended pre-travel testing requirements for transpacific arrivals for everyone into the state of Hawaii. Now, negative test results taken within 72 hours of departure are required before being allowed to board a plane destined for Hawaii. Otherwise, the 14-day quarantine is required when you arrive regardless of result. (Please check with specific islands for date of travel, as well as the State site, as things change often and fast).

We consider this to be good news as residents have been very concerned with the spiking of Covid-19 on the mainland U.S. It seems that Hawaii has one of the lowest rates of active Covid-19 cases in the Nation and they want to keep it that way.

More good news that there are several vaccines with over 90% success! Hooray!
We know that challenges are far from over, but we know that there's hope.

That is what the WMTA is all about with always advocating for our community. Its evidenced by what we have already accomplished which many considered impossible in the past. Our track record is proof that with Divine assistance and your continued support, all things are possible. We are all in this together. With the WMIF as a partner, we are now fighting cancer by bringing a cancer treatment center to the West side.

Many people living with everchanging health issues including cancer are living longer thanks in part to early detection and lifesaving research and treatments.

Together with confident reliance on Divine assistance, we will get through this and fight back to restore and save lives. It's been said that if you want to improve your overall health to practice gratitude and being of service to helping others. We humbly request your tax-deductible donations to the West Maui Life Saver's campaign accordingly. Let's make every single day, a celebration of Thanksgiving! Not just once a year.

Warmest Regards and “Mele Kalikimaka me ka Hauoli Makahiki Hou!”

Joseph D. Pluta – President/ Treasurer

West Maui is a unique and vibrant community that provides employment opportunities and generates significant tax revenues for all levels of government. WMTA is also unique in that our mission is to promote efficient use of the taxes generated to invest in infrastructure, services and amenities that help ensure that West Maui remains one of the best places to live, work and visit in the world. WEST MAUI LIFESAVER CAMPAIGN

Our West Maui Improvement Foundation, West Maui Lifesaver Campaign is gaining momentum and we want to know if you will join us! Last month (November), we sent a letter to all WMIF supporters, WMTA members, and those who have been on the journey for better health services in West Maui.

We announced that the West Maui Improvement Foundation (WMIF) has been working with some dedicated cancer physicians the past few years to bring a cancer treatment facility to West Maui!

According to the American Cancer Society, “about 1 in 3 people in the U.S. will be diagnosed with cancer in their lifetime.” So, there is a good chance you know at least one person who has been affected by cancer, maybe more. Perhaps, even yourself.

Visit <http://www.westmauiimprovementfoundation.org/westmauilifesaver.html> for that letter and updates on all that WMIF has been doing to bring health care to West Maui.

These t-shirts were designed and planned early this year for the Maui Charity Walk, which unfortunately, due to COVID, has been cancelled. We would like to offer the shirt to donors if they request it in their donation memo, along with size requested (based on availability). We ask that a minimum donation of \$100 be donated to receive a shirt (tax deductible portion of donation is less \$20 which is value of shirt). Please check with your tax advisor for questions.

Next steps. We need your Letter of Support for the West Maui Cancer Center!

WMTA WELCOMES NEW BOARD MEMBERS: DEAN LOUIE AND DENNIS TERPIN

DEAN LOUIE

The picture to the left, of new WMTA Board member and Rotary Club of Lahaina Board Member Dean Louie (left in photo) was recently featured in the Lahaina News with current WMTA Vice President, Joe Park.

Dean believes in higher education. He is a product of a traditional college education as well non-traditional pathways, undertaking a Chef's Apprenticeship in San Francisco and earning a Master's degree in Library and Information Science through distance-learning platforms.

As the new coordinator of the Lahaina Education Center, his role supports students in their academic journey, whether they are pursuing an academic degree, entering trade apprenticeships, seeking quick workforce development training, or desire leisure, fitness or career exploration classes.

The Lahaina Education Center is an extension of the University of Hawaii Maui College (UHMC) that provides hands-on service supporting UHMC students and staff in West Maui. The outreach facility offers 2800 sq.ft. of classrooms, student study, and conference space, and was established in 2006 to reduce the lengthy 50-mile round-trip commute to the main Kahului campus from Central Lahaina for those seeking education and skills training for our Maui Industries.

In addition to supporting incoming UHMC students from our High Schools, they are actively looking for ways to partner with our West Maui community needing community space for classes, lessons, training, or civic events.

Lahaina Education Center Mission:

- Provide a clean, safe, comfortable location where West Maui students and commuters can get test proctoring, online tutorial assistance and use study areas.
- Offer access to WIFI/Internet, IT computer resources and printing services for faculty and students for distance learning.
- Advance academic and non-credit partnerships and other support program staff to strategize learning assistance that help UHMC students and instructors reach their goals.
- Meet the academic needs of students, faculty, and the Maui community.

DENNIS TERPIN

Dennis was previously featured in WMTA Newsletters in conjunction with the WMTA Health and Safety Efforts to put in place an Emergency Plan for West Maui. Now, as a WMTA board member, Dr. Terpin will be leading the WMTA Emergency Planning committee moving forward into 2021.

Dennis serves as the Chief Operating Offer for the International Safety and Health Specialists, LLC and served on the AAO Board of Directors at Aston Kaanapali Shores. Dennis Terpin is the Retired Senior Industrial Hygienist and Emergency Manager at The University of Illinois at Chicago (UIC). Dennis served as Deputy Commander of the University's Emergency Response Team and Safety Office for the University Incident Management Team. Some of the roles Dr. Terpin have performed during his 50-year career in the occupational safety, health, laboratory safety, emergency management and response fields include World Trade Center 9/11 responder, safety manager, fire chief, paramedic, rescue specialist, and Homeland Security/FEMA certified instructor (CDP and EMI). Dr. Terpin serves on the ANSI Z88, Z88.10 and ASTM F23.65 International Respiratory Protection Committees.

Dr. Terpin is the recipient of the 2014, Illinois Emergency Management Agency-Emergency Management Achievement Award, the 2014, 2015, 2016, 2017, 2018 and 2019 - Gold Level DHS/FEMA/Center for Domestic Preparedness Excellence (in the indirect Training Program) Instructor awards and three Center for Domestic Preparedness 5.0 Perfect Instructor Awards.

Philosophy of Training: Dennis A. Terpin, Ph.D., O.H.S.T., EMT-P

"I believe that staying active and keeping current as an emergency responder and Emergency manager can only make me a better instructor, enabling me to share my knowledge and experiences while helping others." The indirect program gives me that opportunity to stay in touch in the fast-past challenges associated with being a proactive instructor.

We are pleased to welcome Dean Louie and Dr. Dennis Terpin to the WMTA Board and look forward to working with them as we continue to advocate for improvements in West Maui.
